

**HEALTH & SAFETY EXPO
GENERAL RELEASE AND INDEMNIFICATION**

I, a duly authorized representative of _____ (the "Company"), expressly acknowledge that the Company, desiring participation in and access to the Health & Safety EXPO to be held at the TRAC facility in Pasco, Washington for the express purpose of exhibiting its Company information and/or services (the "Services"), has actual knowledge that said access may expose its employees, agents, and representatives, either directly or indirectly, to certain hazards, which include, but are not limited to, any and all hazards inherent in the transportation to and providing services in the exhibition areas of the TRAC facility. Such hazards include, but are not limited to, physical and other systemic injuries and property loss.

The Company has been informed and understands that the U.S. Department of Energy ("DOE"), and their contractors and subcontractors **do not** provide accident, health, medical, disability or other types of insurance for the protection of the Company or the Company's employees, representatives, subcontractors and/or assigns ("Agents") who voluntarily access the TRAC facility to provide Services. Furthermore, the Company understands that the DOE requires the Company to have both automobile liability and commercial general liability insurance in force prior to participating in this event. In addition, the Company understands that Company's Agents, if on-site, are subject to all TRAC safety procedures (including, but not limited to, procedures governing searches, prohibited articles and traffic enforcement) and inspections by federal and State of Washington regulators responsible for health, safety and other regulatory compliance.

In consideration for the right to participate in and access the Health & Safety EXPO, the Company, for itself, its successors, and its employees, representatives, subcontractors and assigns (the company's "Agents"), does hereby knowingly, willingly and voluntarily assume any and all risks of accident, personal injury, or property damage to itself, its successors, and its Agents, or their property. The Company hereby agrees to now and forever release, acquit, discharge, indemnify and hold harmless the DOE and their officers, officials, directors, representatives, agents, employees, contractors, and subcontractors from and against any and all claims, loss, causes of action, suits, cost or expense for any and all personal injury, death, or property damage arising directly or indirectly from access granted to the TRAC facility.
